

V Coach Project Funded by USDOE Title V

## Science, Technology, Engineering, Mathematics

The STEM program at MDC, Hialeah Campus provides academic and student support services to ALL students majoring in Science, Technology, Engineering & Mathematics (STEM), and ALL students taking a developmental math course.

### How Can I Get Involved?

- Enroll in STEM learning communities
- Ask for math tutoring
- Attend STEM student success workshops
- Receive career counseling
- Volunteer with service learning
- Request resume & job service assistance
- Ask for community service opportunities
- Participate in field trips
- Get IEP (Individualized Education Plan)
- Get involved in early registration activities
- Get STEM freshman checklist
- Get your IEP
