

### **Course Description**

#### **ART2502C | Advanced Painting | 3.00 – 4.00 credits**

Individualized instruction in painting concepts specifically oriented to the student's aesthetic concerns. May be repeated for credit. Prerequisites: ART2500C, 2501C.

### **Course Competencies:**

**Competency 1:** The student will engage in a comprehensive exploration of various advanced painting techniques, encouraging them to experiment with different methods to refine their artistic practice by:

1. Tailoring instruction to address the student's unique aesthetic concerns and artistic aspirations within advanced painting techniques
2. Exploring diverse advanced painting techniques and processes to develop a personalized artistic approach that aligns with their individual creative vision
3. Cultivating an environment that fosters the development of the student's distinct artistic voice within the context of advanced painting, allowing for personal expression and creative experimentation

**Competency 2:** The student will be guided in the development of a cohesive body of work that reflects their individual aesthetic concerns and artistic vision, encompassing a range of advanced painting approaches and styles by:

1. Encouraging the student to integrate their aesthetic concerns and artistic sensibilities with advanced technical proficiency in painting, emphasizing the harmonious fusion of creativity and technical skill
2. Guiding the student in applying advanced technical skills to realize their aesthetic vision, ensuring their artistic intentions are effectively communicated through the painting process
3. Empowering the student to develop a nuanced understanding of the interplay between aesthetics and advanced technical execution, allowing them to articulate their artistic concerns with clarity and precision

**Competency 3:** The student will actively participate in critiquing and refining their painting projects, fostering a deeper understanding of their personal artistic preferences and concerns by:

1. Fostering an environment that nurtures the student's artistic growth and self-expression, providing them with the support and guidance necessary to explore and actualize their aesthetic concerns in advanced painting
2. Encouraging them to critically reflect on their artistic development, facilitating a deeper understanding of their evolving aesthetic concerns and refining their creative practice
3. Empowering the student to embrace artistic risk-taking and creative experimentation, cultivating a spirit of innovation and self-expression within the context of their advanced painting journey

### **Learning Outcomes:**

- Communicate effectively using listening, speaking, reading, and writing skills
- Use computer and emerging technologies effectively
- Demonstrate an appreciation for aesthetics and creative activities
