

Course Description

EAP1501L | Accent Reduction 1 Laboratory | 1.00 credit

Students improve their pronunciation of American English including stress, rhythm, and intonation. The phonetic structure of consonant sounds is systematically analyzed, and students are given practice in correctly pronouncing these sounds and patterns in context. Prerequisite: EAP 0400L; Corequisite: EAP 1501.

Course Competencies

Competency 1: The student will produce spoken English by:

1. Interacting with lab materials and/or personnel in various activities/exercises that focus on the correct pronunciation of consonant sounds, along with stress, rhythm, and intonation

Learning Outcomes:

- Communicate effectively using listening, speaking, reading, and writing skills
