

Course Description

EAP1502 | Accent Reduction 2 | 3.00 credits

Students improve their pronunciation of American English including stress, rhythm, and intonation. The phonetic structure of vowel sounds is systematically analyzed, and students are given practice in correctly pronouncing these sounds and patterns in context.

Course Competencies

Competency 1: The student will demonstrate the ability to pronounce standard American English by:

1. Producing discrete vowel sounds correctly
2. Using vowel sounds in phrases and sentences
3. Correcting common pronunciation errors pertaining to vowels
4. Using linking, rhythm, stress and intonation in discourse as vowels are affected

Learning Outcomes:

- Communicate effectively using listening, speaking, reading, and writing skills
