

### **Course Description**

#### **EDG2943 | Educational Service Field Work | 1.00 – 3.00 credits**

The student will learn to compile the necessary documents and complete the process of obtaining a state and/or national early childhood credential. The student must complete the four courses in either the Infant/Toddler Specialization or the Preschool Specialization in order to take this course. Prerequisite: EEC1311, EEC1200, EEC1000, EEC2202, EEC1001, EEC1522, EEC2201, EEC2407.

### **Course Competencies**

**Competency 1:** The student will compile the requisite portfolio by:

1. Reading and completing the program contract
2. Writing an autobiography/summary of education that includes professional work and educational attainment
3. Writing Statements of Competency that indicate how the student is able to meet the needs of young children in the competency area
4. Collecting and compiling Resource Collections

**Competency 2:** The student will document the number of hours instructed by:

1. Analyzing the training requirements completed in each prerequisite course
2. Utilizing the Tracking Tool that documents the number of hours completed either by employment or volunteer work at an approved child care center

**Competency 3:** The student will prepare for a classroom observation by:

1. Reviewing the 15 Functional Areas to be assessed
2. Analyzing the requirements of the Assessment Tool
3. Demonstrating compliance with the requirements of the Assessment Tool

### **Learning Outcomes:**

- Communicate effectively using listening, speaking, reading, and writing skills
- Solve problems using critical and creative thinking and scientific reasoning
- Formulate strategies to locate, evaluate, and apply information
