

Course Description

TPP2303L | Main stage Production-Assistant Designer/Director | 1.00 credit

Practical experience in theatrical design and directing through participating in a major production. May be repeated for credit. Prerequisite: Permission of department chairperson.

Course Competencies:

Competency 1: The student will demonstrate design and/or directorial support by:

1. Developing an understanding of the production's design and/or directorial concepts in collaboration with lead designers and/or the director.
2. Applying design and/or directing techniques to assigned tasks on the production.
3. Supporting the lead designer and/or director in rehearsal and production tasks.

Competency 2: The student will demonstrate technical proficiency by:

1. Identifying applicable design and/or directing techniques to a production task.
2. Applying technical skills to an assigned design and/or directing task.
3. Support the lead designer and/or director on technical tasks in rehearsal and production

Competency 3: The student will demonstrate professionalism by:

1. Identifying professional expectations for executing assistantship duties.
2. Applying professional expectations to all production activities.

Learning Outcomes:

- Demonstrate an appreciation for aesthetics and creative activities.
- Communicate effectively using listening, speaking, reading, and writing skills.
- Solve problems using critical and creative thinking and scientific reasoning.
