Nicole Washington, Vice Chair
Anay Abraham
Roberto Alonso
Maria Bosque-Blanco
Marcell Felipe
Ismare Monreal

Madeline Pumariega, President, Miami Dade College
Dr. Malou C. Harrison, Executive Vice President and Provost, Miami Dade College
Dr. Bryan Stewart, President, Kendall Campus
Dr. Oscar Loynaz, President, Padrón Campus

The mission of Miami Dade College is to change lives
through the opportunity of education.

As democracy's college, MDC provides high-quality teaching and learning experiences that are accessible and affordable to meet the needs of our diverse students and prepare them to be responsible global citizens and successful lifelong learners. The College embraces its responsibility to serve as an economic, cultural and civic beacon in our community.

We know you will join us in our commitment to preserving the dignity and tradition of this occasion by observing courteous camera and cell phone etiquette. Please remain in your seat during the entire ceremony. You are not permitted on the main floor or in the front of the stage area.

We appreciate your cooperation and are pleased to share this special occasion with you.

Program

Gonzales, Dr. Maria Guerrero, Professor Nelson Sotomayor, Dr. Leo Walz

Conferring of MDC Degrees Madeline Pumariega
President, Miami Dade College

Recessional

Commencement Speaker Fred Voccola *Co-Founder and Vice Chairman of the Board of Directors, Kaseya*

Fred Voccola is a lifelong entrepreneur, founder, business leader, CEO and philanthropist. He is currently the Co-Founder and Vice Chairman of Kaseya, a Miami-based global leader in providing AI-based cybersecurity and IT management software for small to mid-sized businesses. Under Voccola's leadership as CEO from 2014-2025, Kaseya grew to one of the most valuable privately held software companies in the world, with over \$1.5 billion in revenue, and more than 5,000 employees worldwide. Kaseya is the largest private technology employer in Miami, and the official named partner of the Kaseya Center, home of the Miami Heat.

Prior to Kaseya, Voccola founded, scaled and successfully exited multiple software and internet businesses based in Miami, including Identify Software (sold to BMC Software) and Trust Technology Corporation (sold to FGI Global). Earlier in his career, he served as President of Yodle for Brand Networks (sold to Web.com) and President of Nolio Software (sold to Computer Associates).

In addition to his professional accomplishments, Voccola is dedicated to community service and helping those in need. He founded the Cooper Voccola Family Foundation (CVFF), a Miami non-profit organization that exists to champion pro-American values, animal welfare, veteran and child welfare causes. Additionally, Fred sits on the board of the Zoo Miami Foundation, The Monmouth County SPCA and the board of trustees of Hackensack Meridian Health Network.

Voccola holds a Bachelor of Science in Finance from the Carroll School of Management at Boston College.

Pledge of Allegiance

I pledge allegiance to the Flag
of the United States of America,
and to the Republic for which it stands,
one nation under God, indivisible,
with liberty and justice for all.

The Star-Spangled Banner *by Francis Scott Key*

O say, can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watch'd were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
O say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

Kendall Campus *Degrees to Be Conferred*

Fall Term - December 14, 2024

Bachelor of Science

Angel Asbeury-Filippini
Leandro Gonzalez Batista
Eslin Leiva Rodriguez
Yadiel Martinez
Bryan Yerold Montenegro
Alicia Ramos Perez

Marisabel Robleto
Hazel M. Rodriguez

Presidential Scholars Program Graduates

The Presidential Scholars Program offers scholarships to high school students based on academic achievement. The awards cover tuition and fees, plus a stipend for living expenses. Scholars receive a range of customized services including concierge care with assigned advisors, specialized support in areas of program orientation, learning resources and financial coaching. In addition, students participate in co-curricular opportunities for community involvement, career development, student leadership and more.

Rising Scholars Program Graduates

The Rising Scholars Program integrates free tuition for up to two years of study at MDC with high-impact, academic and co-curricular experiences that equip students with the knowledge, resources, skills and support necessary for academic success and completion. Participants are connected to short term career-focused credentials that increase earning potential while creating a coherent academic and career pathway leading to an associate degree. Students also receive a book stipend and laptop computer to support academic success.

School for Advanced Studies Graduates

The School for Advanced Studies' (SAS) primary goal is to provide a diversified, enriched course of study for high school students. SAS' curriculum is a combined offering of core, advanced-level high school courses that have been identified by the State of Florida and Miami-Dade County Public Schools as meeting the requirements for high school credit. In addition, students earn college credits for dual-enrollment courses taught by college professors at Miami Dade College and receive honors points. Select Miami Dade College courses receive advanced placement credit.

Kendall Campus

The Kendall Campus, situated on a 185-acre tract of trees and lakes, opened in 1967. It is home to a wide variety of academic programs and specialized institutes. The campus features 13 buildings equipped with the latest technologies, a wellness center, athletic fields and an Olympic-sized pool. It offers a comprehensive range of learning opportunities. Kendall provides students with transfer programs designed to facilitate the move to four-year institutions, programs that enhance and modernize professional and technical skills, and preparatory programs for licensing or certification. The campus is the home of MDC Athletics.

Presidential Scholars Program Graduates

The Presidential Scholars Program offers scholarships to high school students based on academic achievement. The awards cover tuition and fees, plus a stipend for living expenses. Scholars receive a range of customized services including concierge care with assigned advisors, specialized support in areas of program orientation, learning resources and financial coaching. In addition, students participate in co-curricular opportunities for community involvement, career development, student leadership and more.

Rising Scholars Program Graduates

The Rising Scholars Program integrates free tuition for up to two years of study at MDC with high-impact, academic and co-curricular experiences that equip students with the knowledge, resources, skills and support necessary for academic success and completion. Participants are connected to short term career-focused credentials that increase earning potential while creating a coherent academic and career pathway leading to an associate degree. Students also receive a book stipend and laptop computer to support academic success.

Phi Theta Kappa International

Honor Society Graduates

Phi Theta Kappa Honor Society is the largest honor society in higher education with 1,285 chapters on college campuses in all 50 of the United States. The organization's mission focuses on recognizing and encouraging the academic achievement of two-year college students while providing opportunities for individual growth and development through participation in honors, leadership, service and fellowship programming.

Padrón Campus

Padrón Campus (formerly InterAmerican Campus) is located in the lively neighborhood of Little Havana. The campus is home of the School of Education, Dual Language Honors College, and the Translation and Interpretation Studies program. The campus offers comprehensive academic programs in business, accounting, computer information technology, transfer degrees, pre-nursing classes, and credit and non-credit opportunities to learn English or upgrade professional skills.

The Ceremonial Mace

English and Communications Professor Albert Lenel of Padrón Campus will carry the mace and lead the procession. The use of the mace dates back to the middle ages, when it was carried in processions of many kinds as an ensign of authority. Medieval university officials used the mace at commencement and on other ceremonial occasions. Though we have added unique and contemporary highlights to our commencement ceremony, we join hundreds of colleges and universities worldwide whose processions continue to uphold formal aspects of ceremonies from the past, including the mace.

Special Acknowledgments

The graduation committee extends special appreciation to all of those individuals who assisted with the planning and execution of the Kendall and Padrón Campuses commencement exercises. The committee acknowledges the support and assistance of the following:

Academic and Student Affairs Staff
Campus Services Staff
Follett Bookstore Staff
MDC Marketing Communications Department
Network and Media Services Staff
Shark Student Ambassadors
Student Government Association

College graduation represents the completion of one step in a lifelong process of learning. This step was achieved with the leadership and dedication of highly talented faculty and hard-working staff at Kendall and Padrón Campuses. The contribution and encouragement of students' families are also vitally important in this process of learning. A special recognition is extended to all those who have in any way aided Kendall Campus and Padrón Campus students in reaching this significant milestone.

Academic Regalia

Lending color to the pageantry of the commencement exercise are the academic robes and hoods worn by the faculty. These regalia harken back to the Middle Ages, when they served an ornamental and functional role of separating the learned from other groups, while offering warmth and protection.

In late 19th century America, a conference was held by representatives of colleges and universities to bring some order to the custom of academic dress. Since then, there have been periodic conferences to revise or reconfirm existing practices.

Holders of the bachelor's degree wear unadorned black robes. Holders of the master's degree wear hoods lined with the colors of the college conferring the degree and trimmed with the color representing the subject in which the degree was earned. The doctoral robe is adorned with velvet and is also worn with the hood suitably ornamented.

Holders of degrees from foreign universities or religious orders wear the entire academic costume as decreed by the conferring institution.

The following list reflects the colors which will be found on the hoods worn in the academic procession at the commencement exercise and the subject each color represents.

Arts, Letters, Humanities - White
Architecture - Blue Violet
Commerce, Business
Administration - Drab
Chiropractic - Silver
Counseling & Guidance -
Light Blue
